Do you have a child or know a child living in the Oliver Beach Elementary School district? If the answer is yes, please call the front office as soon as possible. Registration packets will be mailed in April providing additional information, including a specific time for you and your child to come for registration. Please review the check list included in the registration packet to make sure you bring all required documents to the roundup. The children currently in the Oliver Beach Pre-kindergarten class for the 2023-2024 school year will automatically be registered for kindergarten for the 2024-2025 school year if Oliver Beach is their home school. It is not necessary to attend the round up day.

If you have any questions, please call the front office at 443-809-5943 or email Mrs. Dunn at wdunn@bcps.org

Please share this flyer with other families that live in the Oliver Beach Community that may not have received the information.
